RE: 2016 QuickFunds Round 2 Application, Grant# 4428QF2-16

Dear Lisa:

On behalf of the Idaho Commission on the Arts, it is a pleasure to inform you that the Shoshone County Community Concert Association has been awarded a **QuickFunds** grant in fiscal year 2016 in the amount of **\$1,126**.

The panel process used to judge your application was professional, rigorous, impartial, yet individualized. The single most important factor in the selection process was the quality of the work displayed in your application. To have succeeded in such a competition is an accomplishment well worthy of our compliments.

Despite other demands, the Idaho Legislature has continued supporting the programs and services of the Commission. Legislators do need to hear that what they support is important to you and your community. We encourage you to express your appreciation to your legislators and congressional representatives.

Please read the enclosed information carefully. If you have any questions, our grants staff will be happy to assist you.

Endeavors such as yours augment and enhance not only the community where you live, but enrich the culture of other individuals and thereby the state as a whole.

Congratulations on your success

Cordially,

Michael Faison
Executive Director
